PROPOSED RESTRUCTURING — Oakline Holdings

Prepared by: Summit Peak Wealth Advisors (not a law or CPA firm) · **For:** Nadia Oakline · **Date:** 2026-02-11

Step 1. Form **Oakline Holdings LLC** (Wyoming, taxed as a partnership — Nadia 99%, her revocable trust 1%). **Step 2.** Nadia contributes **all** of her interests — Oakline Services, Oakline Properties, Oakline Digital **and her 30% of Helio Grid Inc** — to Oakline Holdings in exchange for membership interests. **Step 3.** Holdings makes interest-free loans among subsidiaries as needed; "one bank account, one set of books". **Step 4.** Holdings files one return. "No tax event — it's all a §721 contribution."

Benefits claimed: liability protection, simplicity, estate planning, "and when Helio exits, the gain lands in the holding so you can reinvest without tax."
